**Re: Request for Public Information – GRAMA
I-15 Corridor Expansion
Project No. MP-115-6(178)245**

Dear Ms. Rasmussen:

Pursuant to Utah Code Annotated 63G-2-101 et seq, we request the opportunity to promptly inspect all documents identified below. In the requests, the term "documents" is meant to include, but not limited to, all correspondence, records, reports, spreadsheets, forms, guidelines, memos, notes, electronic documents including e-mails, recordings, etc. The term "Project" is to include I-15 Corridor Expansion, Project No. MP-115-6(178)245. The documents requested are as follows:

1. All documents relating to any evaluation process used by UDOT relating to the Project.
2. All documents relating to the scoring system used by UDOT relating to the Project.
3. All documents relating to the points awarded by UDOT to any bidder relating to the Project.
4. All documents relating to any valuations or priorities given to the various aspects of the Project.
5. All documents relating to the determination or evaluation of "Deliver I-15 CORE within the Budget" as set forth in 1.1.1 in the Instructions to Proposers (ITP), Addendum 7, dated November 10, 2009 for the Project.

6. All documents relating to the determination or evaluation of "Best Value for the Budget" as set forth in 1.1.2 and "Highest Value for the Budget" as set forth in 4.5.1 along with the respective subparts in the ITP for the Project.
7. All documents relating to the determination or evaluation of "Minimize Inconvenience to the Public" as set forth in 1.1.3 and 4.5.2 along with the respective subparts in the ITP for the Project.
8. All documents relating to the determination or evaluation of "Complete I-15 CORE by 2014" as set forth in 1.1.4 and 4.5.3 along with the respective subparts in the ITP for the Project.
9. All documents relating to the determination or evaluation of "Uphold the Public Trust" as set forth in 1.1.5 in the ITP for the Project.
10. All documents relating to the determination or evaluation of the "General Information" set forth in 4.3 along with the respective subparts in the ITP for the Project
11. All documents relating to the determination or evaluation of the "Administrative Elements" set forth in 4.4 along with the respective subparts in the ITP for the Project
12. All documents relating to the determination or evaluation of the "Administrative Elements" set forth in 4.6 along with the respective subparts in the ITP for the Project.
13. All documents relating to the determination or evaluation of the "Price Allocation" set forth in 4.7 along with the respective subparts in the ITP for the Project.
14. All documents relating to the determination or evaluation of the "Best Value Determination" set forth in 4.8 in the ITP for the Project.
15. All documents relating to the evaluation criteria for each of the following categories: "Significant Strength", "Minor Strength", "Minor Weakness" and "Significant Weakness."
16. All documents relied upon by UDOT in its apparent award of the Project to Provo River Constructors.

Please contact us once you have begun gathering the requested documents. Because of the urgency of the matter, we do not want to wait until all of them have been gathered before we begin reviewing the documents.

Thank you in advance for your cooperation in this regard.

Sincerely,
BABCOCK SCOTT & BABCOCK

Kent B. Scott
